SECURITY SERVICES

SECURITY IS A SYSTEM,
NOT JUST GUARDS.

ABOUT ALPHA SEVEN

Alpha Seven Security Services is a professional security solutions provider committed to protecting people, property, assets, and business operations through structured security management and disciplined operational practices.

We believe that effective security requires more than deploying guards. It requires planning, supervision, technology integration, accountability, and rapid response. This philosophy forms the foundation of our unique 7-Layer Protection Framework.

Our team is focused on delivering reliable and professional security services for housing societies, corporate offices, commercial establishments, warehouses, industrial facilities, retail outlets, educational institutions, healthcare facilities, and special events.

As a PSARA Licensed Security Agency, Alpha Seven operates with professionalism, integrity, and compliance while maintaining the highest standards of service quality and operational readiness.

OUR MISSION

To provide dependable, professional and technology-enabled security solutions that safeguard people, property, and assets through trained personnel, structured processes and continuous operational oversight.

OUR VISION

To become one of Maharashtra's most trusted and respected security service providers by setting new standards in professionalism, accountability, and customer satisfaction.

OUR CORE VALUES

PROFESSIONALISM

Maintaining the highest standards of conduct, discipline, appearance, and service delivery.

INTEGRITY

Operating with honesty, transparency, and accountability in every assignment.

VIGILANCE

Remaining alert, proactive, and prepared to identify and mitigate security risks.

RELIABILITY

Providing dependable security support whenever and wherever required.

EXCELLENCE

Continuously improving our services, personnel, and operational procedures.

SECURITY AWARENESS BUILDS A SAFER TOMORROW

Security is not just about protection—it's about awareness, preparedness and responsibility. A well-informed community is the first line of defense against potential threats.

TIPS FOR A SAFER ENVIRONMENT

LOCK IT. SECURE IT.

Always lock doors and windows. Use access control systems and ensure only authorized entry.

BE ALERT. STAY AWARE.

Report suspicious activities, unknown individuals or unattended objects immediately.

WORK TOGETHER.

Community cooperation and communication greatly improve safety for everyone.

FOLLOW SAFETY PROTOCOLS.

Follow building safety rules, emergency procedures and evacuation plans.

SAVE IMPORTANT NUMBERS.

Keep emergency contacts and security helpline numbers handy at all times.

EMERGENCY PREPAREDNESS

Being prepared can save lives. Follow these essential steps:

Know all exit routes and assembly points.

Familiarize yourself with fire extinguishers.

Respond calmly to alarms and announcements.

Ensure first aid facilities are accessible.

Attend safety drills and training sessions.

Report incidents immediately to security.

OUR COMMITMENT A SAFER TODAY. A SECURE TOMORROW.

Alpha Seven Security Services is committed to delivering excellence through people, processes and technology. Together, we can build a secure and peaceful environment for everyone.
